### **MEET OUR NEW CAREGIVER'S COUNSELLOR: SABRINA PETTA**

My name is Sabrina and I am the new Counsellor for Caregivers in the East of Montreal at the Alzheimer Society of Montreal..

I am a caring and dedicated professional ready to help while providing a unique approach to the needs of caregivers and helpers. I possess many years of qualified trainings, experience and certifications. I will provide counselling services, support, information, assistance, and guidance to caregivers and helpers of people affected by NCD, along with references, tools, skills, and relevant helpful documentations, to name a few accommodating elements. Caregivers may also be friends, acquaintances, or other family members involved and helping with a loved one affected by NCD.

I will work closely with individuals to find the most appropriate solutions and outcomes regarding their personal situations, while providing a safe space that is professional, warm, understanding, ethical and confidential, and working with a multidisciplinary team of professionals all with integrity and care.

It will be my pleasure to assist you with any questions, inquiries, concerns or challenges you may be facing, and we can work together as I help and support you with your next goals in your journey, while working on priorities, organisation, empowerment, self care, and best quality of life. I am looking forward to assisting you in your journey!

## SATURDAY ACTIVITY CENTRES

Funded by l'Appui pour les proches aidants.

The Alzheimer Society of Montreal has three activity centres located in Ahuntsic, Lachine and Saint-Henri. In each facility, clients can rely on qualified staff and volunteers with the knowledge and expertise required to meet the specific needs of participants and reassure families.

These activity centres provide a few hours of respite to caregivers and their families on Saturdays and therapeutic and stimulating activities to people with neurocognitive disorders.

Please note that the Saturday Activity Centers will be closed this summer for 4 consecutive Saturdays: June 29, July 6, July 13 and July 20, 2024.

The Saturday Activity Centers will reopen on July 27, 2024.

**COST:** \$20 per Saturday

An assessment based on certain criteria is required to adequately address the needs of the person with a neurocognitive disorder.

### LECTURE 1 : WHAT YOU SHOULD KNOW ABOUT ALZHEIMER'S DISEASE

Lecture on the warning signs, progression and risk factors of Alzheimer's disease. Learn how to mitigate some of the risk factors and find out how the Alzheimer Society of Montreal's services can help you.

### LECTURE 2 : AN INTRODUCTION TO ALZHEIMER'S DISEASE AND COMMUNICATION STRATEGIES

A lecture on common questions about Alzheimer's disease and neurocognitive disorders followed by an introduction to strategies for responding to changes in communication and behaviour.

### LECTURE 3 : VISITING SOMEONE WITH ALZHEIMER'S: WHAT YOU SHOULD KNOW

Lecture on Alzheimer's disease and neurocognitive disorders with practical tips for visiting someone with the disease.

The speaker will provide participants with tips for optimizing time spent with a person with a neurocognitive disorder.

### LECTURE 4 : CARING FOR THE CAREGIVER

A discussion on the role of caregivers and strategies for supporting them to reduce their stress.

Family and friends are welcome.

### LECTURE 5 : AMBIGUOUS LOSS

Issues of grief and loss are among the most difficult to deal with when caring for someone with Alzheimer's disease or another neurocognitive disorder. Ambiguous loss differs from loss following a death in that closure is impossible while the person is still alive.

Fortunately, understanding loss and grief can help mitigate the effects of the disease.

### FIRST AID: INTERVENING EFFECTIVELY WITH A CLIENT LIVING WITH A NCD

Training offered by Ms. Cindy Walford Bergeron

Cindy graduated from the RCMP in 1987 and began her policing career in Northern Ontario. During a 9 month tour of duty in Kosovo in the former Yugoslavia, she worked with a team of field psychologists who monitored the troops for signs of post traumatic stress and compassion fatigue. Returning to Canada in 2001, she began her studies in pre-hospital medicine at New York State Emergency Medical Services and became a certified critical care paramedic with the National Association of Emergency Medical Technicians in 2007. Cindy will be certified as a NAEMSE (National Association of Emergency Medical Services Educator) instructor and will become a Master Instructor for the Heart and Stroke Foundation in Canada. Instructor, speaker, police officer and paramedic, Cindy fights with passion, determination and energy to preserve our most precious resource; the human.
