

Join us as an At-home respite and stimulation services provider!

- ◆ Are you EMPATHETIC, CARING and ADAPTABLE ?
- ◆ Do you have a sense of ETHICS, DIPLOMACY, RESPECT and CONFIDENTIALITY ?
- ◆ Are you an AUTONOMOUS person who shows INITIATIVES ?
- ◆ Do you enjoy TEAMWORK and have good COMMUNICATION SKILLS ?

Your role will be...

- Design personalized therapeutic stimulation activities adapted to the needs of people living with a neurocognitive disorder (cognitive, sensory, physical stimulation, etc.) in their homes.
- Write regular reports on the progress of interventions and the evolution of clients.
- Participate in team meetings to discuss cases and exchange with other therapeutic activity specialists.
- Communicate with families, providing them with information regarding the Alzheimer Society's and proper resources.
- Maintain an inventory of stimulation material and time sheets.

You will have access to ...

- A competitive salary
- Part time or Full time of 30 hours/week maximum
- Training offered and matching (continuing education, first aid, PDSB, CPR...)

For this you need...

- Interest in the field of animation, recreation, recreology, special education, gerontology, health, social work
Or be a student or graduate in any other equivalent field.
- Familiarity with neurocognitive disorders, Alzheimer's disease and the person-centered approach.
- First experience with people living with a neurocognitive disorder is desired.
- Ability to travel throughout the island of Montreal.
- Fluency in English is required to provide written and spoken assistance to non-French-speaking clients representing around 40% of the Society's clientele.

Our mission

To alleviate the social and personal consequences of neurocognitive disorders by providing state-of-the-art interventions, care and support services that have a positive long-term impact.
