

Join us as a Therapeutic activity specialist!

Your role will be...

- Develop and lead adapted person-centered activities, both individual and group, in a permanent activity center for people living with a neuro-cognitive disorder.
- Support clients living with a neuro-cognitive disorder in their daily tasks and ensure their well-being throughout the activities.
- Welcoming participants in the morning (setting up the center, coffee) and their departure at the end of the day (tidying up and decorating) to maintain a pleasant and stimulating environment for participants.
- Organize special projects, such as themed activities, musical sessions, pet therapy sessions, or volunteer/intern mentoring and recognition projects.
- Take photos during activities to document and visually track them.
- Follow up on attendance with families via weekly calls and sending activity schedules to families.
- Manage client files, drafting regular reports and notes on participants' attendance and progress, as well as the progress of activities.
- Manage invoicing, activity statistics, petty cash and make small purchases for activities or the kitchen.
- Actively participate in team meetings to discuss issues and exchange with other professionals on therapeutic interventions and other Programs and Services meetings.
- Supervise interns and volunteers.

You will need...

- Diploma as a specialized educator, recreation technician or therapeutic recreation technician, or significant experience in recreation intervention, recreology, special education, gerontology, health or social work with people living with a neurocognitive disorder.
- Good command of neurocognitive disorders and their impact on individuals, with the ability to adapt interventions to the specific needs of each person through a person-centered approach
- Fluency in French and English is desirable to provide a helping relationship, orally, with a non-French-speaking clientele representing approximately 40% of the Company's clientele.

We offer...

- Competitive salary and attractive benefits
- Permanent 35h/week position with flexible hours for work-life balance
 - Tuesday, Wednesday and Thursday offer a stable and varied routine with the center opening to participants. There is also a possibility of opening the center on Mondays in the future.
 - Monday and Friday are dedicated to planning, preparation and feedback of activities.
- Friday afternoons offered during the summer
- 10 days of personal and sick leave
- Training offered (First Aid, PDSB, CPR, professional training on TNC and different approaches...) and coaching from experts
- Free parking and close proximity to a metro station
- A dynamic and humane work environment where you can make a real difference in the lives of participants.

Our mission

Alleviate the social and personal consequences of dementia by providing state-of-the-art interventions, care and support services that have a positive long-term impact.

Throughout the recruitment process, let us know if you need any accommodation, adaptation or support related to a particular situation. This will enable us to propose measures to facilitate your recruitment experience with us. Our premises are accessible and adapted. We can also provide you with additional directions for an optimal move, if required.

The Alzheimer Society of Montreal is committed to equal opportunity for all. We value diversity in all its forms among our staff and encourage applications from all backgrounds.
